

If you were Mary and Joseph, what would you pack for your trip to Bethlehem?

What presents would you bring baby Jesus?

What would the three Kings have packed in their bags for their journey to follow the star?

Imagine you are one of the animals in the stable when Jesus is being born.  
What is going on? What can you see? What can you hear?

What would be a good present for Baby Jesus?

What would be a bad present for Baby Jesus?

If the stable was full, where else could Jesus have been born?

Imagine you are the Arch Angel Gabriel. What other jobs has God  
have given you after you visit Mary?

Imagine you are the shepherds in the fields looking after your flock. What has happened during the night before the Angels visited you.

Imagine you are Baby Jesus. What are you thinking?
