## WESTERN AUSTRALIA

### Things for all RECs to bring to the Network days:

- A wifi-enabled device with the Google Street View and Thinglink apps downloaded.
- 3-d photos of your school's Church or set-up space for Mass – instructions in Week 6 Weekly Update email.
- A story of celebration from your school this year, ideally around RE curriculum or the Catholic dimension of the school (for example: a liturgy, some resourcing, an event...). Feel free to bring photos, props etc, if appropriate.
- A print out of a page from a report (Yr 1-10) on English and RE from last semester. Please black out the student's name.
- Ideas or resources your school uses for Advent/Christmas.
- A symbol of peace for you.
