

A close-up photograph of a stone wall. The wall is composed of several layers of rectangular stone blocks. The top layer consists of dark, greyish-brown blocks. Below that is a layer of lighter, tan-colored blocks. A white rectangular sign is affixed to the wall, positioned over the tan layer. The sign contains text in blue capital letters. To the left of the sign, there is a decorative stone element with three horizontal grooves. In the bottom right corner, the top of a wooden fence or railing is visible.
